

18<sup>th</sup> ANNUAL  
**AGRICULTURE AND NATURAL RESOURCES  
YOUTH WORKSHOP**

*FRIDAY, APRIL 20<sup>TH</sup> 2007*

The Agriculture and Natural Resources Youth Workshop is for high school students in High School. Teachers, 4-H, or FFA advisors and Homeschool Parents are welcome and should bring students interested in natural resources management.

**The goal of this workshop is to provide information while emphasizing the importance of our natural resources. The way we manage our natural resources such as soil, water, air, plants, and animals is critical in determining our present and future welfare. The conservation and wise use of these resources found on our croplands, grasslands, and woodlands are key elements in keeping our lands and society productive.**

**The workshop will include presentations from various professions on resource management and preservation. Topics covered may include Forestry, Wildlife, Water/Aquatics, Soils, Vegetation and Range Management. Material for topics covered in the sessions will be provided at the workshop. Students are encouraged to share this material with their peers.**

**Interested students will have the opportunity to compete in a contest for an expense paid trip to the California Range and Natural Resources Camp at Elkus Ranch in Half Moon Bay, June 17-22, 2007.**

**Please visit [www.casrm.org](http://www.casrm.org) for more information on *Rangecamp*.**

**These workshops in the past have been a joint effort of the Resource Conservation Districts [www.carcd.org](http://www.carcd.org) , UC Cooperative Extension [www.ucanr.org](http://www.ucanr.org) , Madera County Fish & Game Fines Committee [www.dfg.ca.gov](http://www.dfg.ca.gov) , USDA Forest Service [www.fs.fed.us](http://www.fs.fed.us) and USDA Natural Resources Conservation Service [www.ca.nrcs.usda.gov](http://www.ca.nrcs.usda.gov)**

Portions of this workshop are outdoors. Appropriate clothing should be worn for warm or cold weather. Lunch and refreshments will be provided. Please notify the NRCS representatives of those with special needs and arrangements will be made. All students need to be accompanied with an Advisors or parent.

**[ALL REGISTRATION FORMS MUST BE RECEIVED BY APRIL 16<sup>TH</sup>](#)**

*For additional information, please contact the Natural Resources Conservation Service:
